

## ABOUT US

We at FOODCREST are engaged in manufacturing and exporting of a wide range of quality Indian food products globally.

FOODCREST entered the manufacturing industry in 2015 by exporting Ready to cook vegetables to the GCC, then took on the challenges of processing and freezing Ready to eat, Read to cook and fried snack items, for the quality-conscious international markets. Today, our legacy continues, with following the same principles.

All over the world people understand the taste and nutritive values of Indian cuisine, of which our mix of Indian spices are an integral part of the food product, that give the unique flavour and taste. At Foodcrest, our cornerstones are **QUALITY** of our Products, leading to **AUTHENTICITY** of Taste, achieved by means of **RELIABILITY** of processes, which in turn, leads to **CONSISTENCY** in quality of Products.
